

Fraser Valley Senior Girls

VP Report for Fall AGM 2009

- Report was circulated at the spring AGM and posted on the Website.
- No further discussion ensued. None anticipated now. We're ready to roll out as per usual.
- Change in Fraser Valley Easy Coordinators position. Paula Thompson out of Mouat takes over. Thank you to outgoing Rick Thiessen for his service the last two years.
- *Change in Fraser Valley Central Coordinators position. Sharon Staples out of Fleetwood Park steps back in. Thank you to outgoing Sabrina Block for her service the last two years.
- * Fraser Valley Main Host Site. Still shows MEI as hosting on the website but we do have a need for a main host site. MEI has indicated they "MAY" agree to host once more if no one else steps forward.
- Leagues remain autonomous in their structure as determined by their coordinators and coaches. Historic four league format. Two leagues are now tiering.
- * Schedule , results and Roster / (TENTATIVELY) Photo posting will be done through the Fraser Valley website. If it works out, BBBC will poach off this site for theirs. Rosters and photos will be sent in on the prescribed formats regardless of final site. All games on each teams schedule are to be included
- * Reminder that all transfer forms are already due in to the Commission. Please address immediately if not already done.*
- Reminder. The reduced membership fees are for this one year only and should not be looked at as an increase when they rise to their normal level next season.
- All Star game for AAA Girls was held last season and will be again.

Seniors only. NCAA regulation permits no more than two all star game inclusions before eligibility is jeopardized. No underclassmen game. No League All Star games including Zone game and Provincial games participants can be permitted.

A and AA games will be encouraged to be held. Three games would recognize that many more players for their excellence.

Arne Anderson
